

# THE ROUGH & TUMBLE

## Stage Plot/Input List:

1. Mallory Graham vocal mic, boom stand
2. Scott Tyler vocal mic, boom stand
3. Instrument mic for Mallory's accordion/ukulele/aux percussion, boom stand
4. Acoustic DI for Scott acoustic guitar
5. DI for Mallory's baritone uke
6. Kick drum mic for Scott's kick drum
7. Mic for mailbox snare drum (if needed)
8. Mic for Scott's electric guitar amp (if needed)

The R&T will provide 2 vocal mics and 2 DI boxes and can provide additional mics and stands if needed. For a smaller stage/stripped down set it is likely that we would skip the electric guitar amp and mailbox snare. 2 monitors are preferred but we can do with 1 monitor if needed.

Please keep vocals fairly even on the board as we switch lead often.

The Rough & Tumble
