

fLAGSHIP ROMANCE

hospitality rider

FOOD/DRINK

Healthy snacks & meals appreciated (dairy free, please)

We enjoy trying local cuisine & beverages!

We prefer to eat meals either 2 hours prior to concert,
or directly after the show.

Still, room-temperature water (we drink lots of it!)

Hot tea, if possible.

SOUNDCHECK/LOAD IN

We will need approximately 1.5 hrs for load-in and soundcheck.

Please provide a private area for us to relax and warm-up our voices before the concert.

LODGING

We request a private bedroom,
and need only one bed (full size or larger is preferred)

TRANSPORTATION

We drive a high roof Ford Transit van. **We** ask for safe parking in a well-lit area that can accommodate our height.
